

How to obtain or renew your NARCOA Operator Certification (Rule Book Test)

NARCOA takes safety very seriously. To ensure that operators are familiar with the NARCOA Rule Book contents, the NARCOA Judicial Policy, and the NARCOA Operations Manual, each operator must pass an open book online test. You must pass the test before purchasing NARCOA insurance and operating your motorcar or hi-rail on a NARCOA excursion. The test consists of 50 questions. You take the test online and receive immediate feedback. You may refer to the NARCOA publications during the exam and must score a minimum grade of 80%. NARCOA issues an Operator Certification Number upon completing the test and maintains records of those operators who pass this test.

You must review three items to prepare for the test, the NARCOA Rule Book, the NARCOA Judicial Policy, and the NARCOA Operations Manual. You can download all three documents from the NARCOA website - www.narcoa.org - under the dropdown menu - 'Documents & Officers.'
