North Central Railcars, Ltd. is hosting a 3 day motor car excursion on the Great Western Railway in the rolling hills of southwest Saskatchewan. The trip will run between Climax, SK and Ponteix, SK with 2 overnight stays in Shaunavon, SK. The trip will cover approximately 340 rail miles. The excursion fee of \$530 USD or \$625 CDN covers the railroad fee, insurance, gratuities, 2 nights lodging (Friday & Saturday nights), portable toilets, lunch for 2 each day, and other miscellaneous expenses. **NOTE: If you wish to stay at the same hotel on Thursday night (before the excursion) that we, as a group, are staying at on Friday & Saturday nights, the additional cost would be \$130 USD or \$150 CDN and needs to be reserved through me in advance as part of the excursion. By doing this, you won't have to "check out" or take your bags with you on Friday morning for set-on in Climax.** This is a NARCOA insured excursion and NARCOA rules apply. There is a 25 car limit. Complete details and registration materials will be sent upon receipt of the excursion fee (US participants) or by request (Canadian participants can pay in local currency at the excursion). Please make checks payable to North Central Railcars and send to Michael P. Ford, 7712 Carpenter Court, Plainfield, Indiana 46168-8035 or contact Mike via phone at (317) 839-9320 or e-mail (mford@indy.rr.com).
