

**NORTH CENTRAL RAILCARS**  
**EXCURSION ANNOUNCEMENT**  
**(Northern Plains Railroad Company)**

**Northern Plains Railroad (ND)**  
**July 18, 2017 (Tuesday)**

North Central Railcars, Ltd. is hosting a 1 day, 120 mile round-trip excursion between Kramer and Norma, ND on the west end of the Bisbee Subdivision. *This is new track for NARCOA!* Set-on will be in Lansford, ND and we will travel east to Kramer and west to Norma (once each way, either morning or afternoon) depending on train traffic. Lunch will be held at the Lansford café and is not included in the excursion fee. Excursion fee is \$125 per car and covers the rail fee, insurance, gratuity, portable toilets at Kramer & Norma, and other miscellaneous excursion expenses. There is a 25 car limit. Complete details will be sent upon receipt of the excursion fee. To register, send a check for \$125.00 (payable to North Central Railcars, Ltd.) to Michael P. Ford, 7712 Carpenter Court, Plainfield, Indiana 46168-8035. Contact Mike at: (317) 839-9320 or email: [mford@indy.rr.com](mailto:mford@indy.rr.com) **Please note: There is a significant tie gang project scheduled for August 2017 on the Bisbee Sub in conjunction with a new elevator being built just east of Lansford. Should the work be moved up and conflict with our planned date, the excursion would be cancelled and full refunds issued. I would expect that we would have at least a couple of weeks notice.**
