Ardmore, Ga to Sylvania, Ga

Come and ride the Ogeechee RR through the Southeast Georgia countryside on a portion of the former Savannah & Atlanta Railway's mainline. We will also travel a very short distance on a piece of the Sylvania Central Railroad, a rustic 15-mile shortline that ran a steam-powered mixed train until abandonment in 1954.

The set-on will be in Newington near the south end of the railroad. We will run south 6 miles to the Norfolk Southern interchange at Ardmore. After turning, we will run north 20 miles to Sylvania, where we will use the Sylvania Central remnant to reach the lunch stop.

After lunch we will turn and run south 14 miles back to Newington. People can setoff if they wish. After a rest stop we will turn and make a second run to Sylvania and back, 28 miles round trip.

1st run 40 miles roundtrip. 2nd run 28 miles roundtrip.
Cost: \$80.00 30 Car Maximum

This is a SERO Affiliate run. All NARCOA rules will apply. ReflectORIZED safety vests or t-shirts and A-car side safety chains required. No passenger trailers. Hard-sole shoes are encouraged.

To reserve a slot on the run, I will accept email, phone calls and snail mail in the order received (not when postmarked). You MUST send full payment within two weeks or your reservation will be cancelled.

There will be a Wait List. No refunds after September 7th, 2018 unless a wait list person fills the position. Emergency situations will be considered.
