

OHIO VALLEY RAILCARS EXCURSION:

Age Of Steam Roundhouse Rides for the Public

July 14 & 15, 2023

Ohio Valley Railcars will host a Rides for the Public excursion on Friday

and Saturday July 14 & 15 on the yards of the Age Of Steam Roundhouse in Sugarcreek, Ohio.

We will be giving rides to the public who are visiting the Roundhouse. One lap around the facility is about 5,000 feet (almost a mile) with an estimated travel time of 20 minutes per trip. We will carry passengers multiple times each day.

We will also have a few cars on static display with their owners discussing their cars and our hobby with the public. There will be time for cars to be switched out and given a break to join the static display group. More details will be provided in your confirmation letter.

All NARCOA and OVR rules apply. No Hy-rails. An 18 car limit has been set.

Registration by USPS mail only, no emails or phone calls reservations accepted please. A Confirmation document and additional information will come by email.

Do not contact the railroad with questions. Instead, contact:

Brian Davis, EC at (330) 554-4480 or briandavis1111Q@gmail.com

Return this registration form with your payment to:
